Not just one “Touristique Rallye”, there’s the “International Rallye” and the “Rallye des Clubs”, which allows you to discover our Region and Heritage. Not forgetting the ability to pause at some of the Villages that you pass through, for a break, or refreshments.....It seems that on this day, all the “Charentais” are lining the routes, or at the wheel of their cars.

“Concours d’Etat”

Organised with the guidance of the Federation Francaise des Vehicules d’Epoque (F.F.V.E.) and in the presence of their Officials and Invited Judges. Before the eyes of the general public, these exceptional vehicles are scrutinised for Authenticity.

“Le Diner des Halles”

A Legendary evening. In the centre of the town, in the Art Deco building, the best of Charentaise Gastronomy, is on offer to our Racer’s, our Sponsor’s and their Guests. On the square, after the Sun has set we Dance to the sound of the Orchestra.
